# PRESS RELEASE

Toledo, OH -- July 13, 2010

## ST. URSULA ACADEMY ANNOUNCES NEW DIRECTOR OF ADMISSIONS

St. Ursula Academy is pleased to announce that Toni Moor Kelly has accepted the position of Director of Admissions.

Kelly comes to St. Ursula Academy with tremendous depth of knowledge and affection for the school. A 1981 graduate of St. Ursula, Kelly is a third-generation alumna, following in the footsteps of her mother, aunts, great aunt, and sisters, and preceding her daughters who currently attend.

Mrs. Kelly attended Xavier University and earned her bachelor's degree in elementary education from the University of Toledo. She taught in the Washington Local School system for many years before staying home to raise her family. Kelly remained closely involved in her *alma mater* as an active alumna and parent, assisting with events, reunions, sports and fund raisers. For the past two years she has been an important presence in the front office of St. Ursula, assisting students, their parents and visitors.

"I love this school and am looking forward to sharing it with young girls and their parents. For families who value education, St. Ursula offers high school girls more than just outstanding college-prep academics. SUA offers spiritual enrichment, exceptional college counseling, highly competitive academics, wonderful performing and fine arts, and leadership opportunities, both big and small," said Kelly.

St. Ursula's president, Sister Mary Kay Homan OP, is extremely pleased with the school's new hire stating, "We are fortunate to have a person of Toni Kelly's commitment and love for St. Ursula Academy. Having three daughters in the school gives Mrs. Kelly great credibility."

---

St. Ursula Academy is Toledo's oldest, all-female, accredited, Catholic college preparatory high school, and has been educating young women of today for tomorrow since 1854. The mission of St. Ursula Academy is to educate young women to develop their spiritual, intellectual, physical, and emotional well-being in light of the values found in the Gospel and reflected in the life of St. Angela Merici.

*Soli Deo Gloria*, for the Glory of God alone, is our school motto, reflecting our heritage and founding by the Ursuline Sisters in 1854.
